

Healing Anxiety

There are many conditions that include or bring about feelings of anxiety. These intentions are designed only to address the generalized concept of feeling persistent or excessive anxiety, regardless of whether any phobias, obsessions or compulsions are also present. Healing Post-traumatic Stress Disorder will be included in a future posting.

With “M Infinity O’s,” you are asking for *unconditional love (M) into infinity in all there is (O)*, and the work of the Energy Healing Partners Team that cannot be refuted will be manifested for you, if needed. You only need to say it once.

All you need to do is listen or see Mo asking for the intentions. If you want to request these intentions on your own, we suggest you first go to the web site, www.healingforearth.com/downloads-learning. Use Downloads #7-9 to make sure your energy is clear and balanced and then look at #17a) *Working with Intention Statements* for a quick and easy method you can use. Then just read the intentions listed below and do the manifesting method you choose after you finish the list.

[See healingforearth.com.]
36. Guidance, I want the forces of heat, spin, light, pull, water, sound, and rhythm to be absolutely 100% pure.

We express our gratitude to all our helpers, both seen and unseen.
